“ To the entire Kavern Clan we extend our deepest sympathy. Beverly was a beautiful woman whose heart and love for her family far exceeded her physical beauty. We feel honored to have been able to know her.

“ I may not have known Beverly for very long, but she is one of those people I have met in life that I will never forget. Especially her smile. I knew I liked her the moment we met.

If I had to describe in one word the first impression I had of her, it would be "Classy". There was an elegance about her and a genuineness that came out in her smile. When she greeted you, you knew she really was glad to see you. I could see she valued others. This especially evident in the value and love I could tell she held for her family.

To her family that I have come to love (due to 3 little boys) may you know my thoughts and prayers are with you.

Love,
