“ I will forever miss Garnet and our middle of night conversations just about anything. Sometimes just sitting with her holding her hand made her feel at ease on bad nights. But on the bad nights there was nothing better than a bowl of her fav. cereal at 3am and our conversations and giggling, while her time at Beehive. She arrived almost a year after I started working there and we became the best of buds right off the bat. Doug, Rosemary and all the family I never seen such a dedicated family to Garnet and making sure there was at least one of you or more every day! Truly you don't know how much she appreciated that and loved you guys soo much. She told me everyday how thankful she was to have you all! And I am soo thankful I got to get to know each one of you! It was truly a pleasure taking care of Garnet. My heart hurts for all of you but I know she is a Angel in heaven now Love all of you!
Sincerely,
Kimmie Gollinger Pca, Beehive Homes
