He attended Butte schools including the Franklin, Holy Savior, Butte Central and graduated from Butte High School. Jim was one of those people who couldn’t sit still. Even when he was at the cabin in Divide or at hunting camp in the Ruby Valley, He was always looking for a job to do. He found out later in life the he enjoyed cooking and was really good at it! He enjoyed attending all his class reunions and was an essential part of the Butte Italian History exhibit at the Butte Archives.

“ I only had the pleasure of being around Jim a few times when I was young. He made a lasting impression on me, he was above all a wit and a good one! He was a genuinely nice man I'm sure he will be missed for a long time!

“ Dear Geri and Family

Jimmy was such a wonderful person, friend and relative of our family He always had a smile and made everyone around him feel very good. He was a favorite of my mother Skookie/Frances (Butori) - his cousin- and my dad Tony Sutey. I always enjoyed seeing him when I was was a youngster as he would stop by my dad's gas station for gas or when he would repair or exchange our cash register as he worked for National Cash Register.

It was a great honor to sing at your wedding at St Helena's Church when I was 15 years old and getting paid for it to boot! Wow, what a great day and celebration that was!

As I grew older, I always loved seeing you and him at various occasions - the last time at the funeral of my Aunt Mary (Sutey)/Mattuecci who was married to his older brother, Danny. I will always remember him as such a great human being.

With my Deepest Sympathies
