“ I love this picture of my Uncle Monty. He sent this to my Auntie Marlene when he was in the Service. Looking through the album of pictures he sent to her and the inscriptions made me understand how much he loved her and how much he wanted to marry her. How lucky for my sister and I that he did. So many memories, so much love. He only married once, but he made it count and loved her with all his heart. His two favorite nieces, his great niece and nephews loved him so very much. “We know what we know”.
