

Adam Andrew Powers

June 6, 1970 - April 11, 2018

Adam Andrew Powers, Son and Brother peacefully passed away in his sleep on April 11, 2018 after a sudden illness. His untimely death will be felt by all that knew him. Adam was born on January 6, 1970, in Butte Montana to Dave Powers and Madeline deBeaufort as the youngest of the “5 Powers Boys”.

Adam grew up knowing that he was always loved. As a young boy he would spend hours lost in his own imagination or in the backyard digging the biggest hole he could and filling it with water!

Adam attended Longfellow School and graduated from Idaho Falls High School in 1985. From there he attended Montana State University (MSU) and North Dakota State (NDS) where he obtained his B.S. in Political Science with a Minor in History. It was at this time that Adam met many of the people who were to be lifelong friends.

Adam worked briefly for the State of North Dakota before opening his own consulting firm, Nick of Time, in North Dakota. Later he moved back to Montana to live in Helena and worked for the State of Montana. He was working as the Project Manager for DPAC at the time of his death. Adam’s career is what he is most proud of knowing the fact that he was responsible for the training, consulting and obtaining equipment for the many Emergency Personnel thru out the country that resulted in thousands of lives saved. This is his Lasting Legacy, One that he received numerous awards and achievements for.

Adam is survived by his father, David Powers, Brothers, Dave (Karen)

Kennedy, Kirstyn; Paul (Brenda) Kristina, Alyssa, Michaela; Matt (Nikki) Matthew, Lauren; Ben (Zora) Nick, Keagen; Uncle and Aunt, Jack and Jean Powers. He was preceded in death by his mother Madeline deBeaufort, Grandparents Joseph and Albina Powers and Francis Gough, Uncle Gene Gough.

He will be truly missed by family and friends.

Donations can be made to the American Diabetes Association.

“ My deepest sympathy to the family of Adam. When he was in ND he touched so many lives with his compassion and knowledge. You could always count on him to solve problems or help in any way no matter what. He had a way to explain complicated matters to where you were able to understand and he would go the extra mile to assist you with exceptional results. I am blessed to have known Adam for a short time. He was a good friend and we shared many memories.

“ To the Family of a dear remembered Friend Adam- I knew Adam through his time with the ND Emergency Management and the Nick of Time. He was fun, He believed in people, and he was a true fighter for the good cause of all. Though we did not keep in touch after he went back to Montana, I think of him often as I work through the Emergency Management process of today. A good friend to have in my corner always.

With love and many memories! Sandra Hanson, Sargent County ND

“ Our sympathies to the Powers family. We were saddened to hear of our friend Adam's passing. We met Adam years ago when he first worked for the state of ND. We have many fun memories such as celebrating his 30th birthday in MN and many trips to his lake cabin. Adam was one of the good guys, and he took great care of those he cared about. We spent many Sundays having dinner with friends and he was a great cook! We still can't believe he's no longer with us; Heaven gained a gentle soul that will be deeply missed by so many. RIP dear friend. Pete and Deanne Wiens, Bismarck ND.

“ I worked with Adam during his tenure with the ND Department of Emergency Services. I found him to be an intelligent person, dedicated to his work, and also a good friend. He was able to take complicated situations and simplify them to help others understand. He always saw the "big picture". The world will miss his mind and his ability to help the region and country through his work in the emergency services arena. Ken Jarolimek, Bismarck, ND

“ *My sincere condolences go out to the Powers' family. I did not know you personally, but got to know Adam as my neighbor in Helena. He provided my four children, significant other and myself with many opportunities. Ones in which we will forever be grateful. He was a mentor, father-figure, provider, and true friend. Our hearts are broken as we've lost an incredible person who's passion was to make a difference in the lives of others. Our thoughts and prayers are with you and your family. May God comfort you in this most difficult time. He will truly be missed! Paul Stetzner, Wendy, Jade, Payton, Cooper and Greyson Biegler*
