“ My sister Ada and I have great memories of Aunt Agnes from the time we were young girls. When we visited with our parents, Aunt Agnes always included us at a beautiful table serving us cake and coffee with the adults. When she had a birthday party for Don, we were always invited and she made the best deviled ham sandwiches we ever had. Since I live in Butte, I have been able to visit her as much as possible. My sister lives in Eugene but never missed seeing her when she came to Butte. She was always a beautiful lady but very plain. I feel she that she missed her son Don so much that she is in a better place and can be with him. Our thoughts and prayers are with Debbie and all the family. Shirley & Jerry McCauley
