

## Atlas Angel Pesanti

July 31, 2021 - July 31, 2021

Heaven got to keep one of its angels. On July 31, 2021 Atlas Angel Pesanti returned home to Heaven but profoundly touched the hearts and lives of his family here.

Atlas' job on Earth was completed quickly and he forever touched and changed the lives of his parents, Tanner Pesanti and Jandi Sorensen along with his big brother, Enzo.

Though his job on earth did not last long, the joy and excitement, he brought to his parents, will forever remain constant when reminiscing on his behalf.

Private services were conducted.
