“ I worked with Bill from 1991-1995 in Long Beach at Tallon Termite Company. We did not stay in touch and I just discovered his passing. He was a very decent, good-natured and down-to-earth guy. I'm very sorry to know he is gone.

“ Billy was a sixth grader in my class at Hillcrest. He was undoubtedly a bright light in my career. He always told the younger kids to always be honest with Miss T and she'll have your back. I appreciated it so much.

It was also interesting to know that his Grandfather who was killed many years ago was my Grandmother's nephew. It is a small world.

God bless his family and his memory.
