“ *When we were in 6th grade the year he died, we used to sit on the field and talk until recess was over everyday, he was my best friend. My brothers class planted a tree for him outside of Emerson elementary because I had already graduated, he was one very amazing kid.* ”

“ Brady in Kindergarten with his mother, Valerie Kirk. We love you + miss you everyday. You will always be my baby boy. I will never forget the day your father split the family, whisked you 2000 miles away + separated you from your brothers and mother. Love always.
