“ *We are so deeply sorry for you and your family Speedy. Carol was and will always be in my mind one of the kindest people we have ever known. I remember the first Buttrey's party Frank and I went to, I was so shy, standing off by myself. Carol came and got me and made sure I felt included because she was kind like that. When we went to watch Brent when he was in motocross, she got up from her seat in the motor home and insisted that I sit in it. Our prayers and thoughts are with you and your family at this time, may you find comfort in the thoughts and prayers being sent your way.*

“ Carol was my best childhood friend. We met at Sunday school and were confirmed together. She got me into: Nancy Drew mystery books, playing the clarinet & joining the band in grade school, ice skating at Clark Park & Whittier, knitting lessons at Hennessy's on Saturdays then continuing to the Five and Dime to have free lunch as my grandmother worked as a waitress, then home on the bus. I have lots of fond memories. I'm sorry for not reconnecting in our adult life. Speedy you and Carol were meant to be together and now she is watching over you. I'm very sad for her passing but now she's in God's hands. My prayers are for the whole family to heal, love each other and know that someday we will meet Carol again.
