“ *My grandpa, the man who for so long I believed would live forever, and now will live forever in the presence of our Lord and Savior. With the help of my grandma he instilled Christ in me at an early age. Even after walking away in my early adult youth, the prayers and letters brought me back. Thank you grandpa for always showing Christ to me through the years. I will forever close my eyes and hear your voice as “The Old Rugged Cross” plays. A song he would sing to me on the way to church every Sunday Morning. Love Always Kristina*
