

Chomak Moon Chapman

September 27, 1940 - August 16, 2016

Chomak Moon "Chom" Chapman passed away early Tuesday morning at her home in Deer Lodge surrounded by her loving friends. She was born in Korea on September 27, 1940 to Moon J.Sung and Son U. Young. She attended schools in Korea and met American serviceman, Donald Chapman in there. They were married in Atlanta, Georgia and together they settled in Montana. He preceded her in death.

Chom was amazingly adaptive and taught herself to speak, read and write in English. She enjoyed her many friends in and around Deer Lodge.

At her request, cremation has taken place and no services are planned. A special thank you is extended to Dr. Ivans and her care givers, Joyce, Debbie, Sunshine and Pat for all the kind and gentle care given to her during her illness. Thank You!
