

David E. Ogan

August 29, 1947 - November 13, 2021

David E. Ogan was born on August 29th, 1947 in the Whitehall Hospital, the youngest of three to David and Frances (Puckett) Ogan. He had two sisters, Donna Clark and Allene Swainson. He passed on November 13, 2021 and will be laid to rest in the South Boulder Cemetery alongside his parents and sister. He leaves behind the love of his life, wife of over 40 years, Peggy and their five children, Rick, Weston, Travis (Amy), Megan (Jesse) and Cordel, as well as his first son, Mike Belderrain (Donna). He is also survived by his sister Allene Swainson along with their grandkids, Molly and Emily Ogan Kendel Ogan and Brenden Roat, Tyler and Quinn Belderrain, his nieces, Leslie Clark (Jock Holmes), Sherry Clark, Lara Gaglia, Wanda Drudis-Swainson (Carol), and his in-laws, Jan Churchill, Bill Churchill (Claire), Roger Churchill (Janet), Jeff Churchill (Kim), Carol Churchill-Dicks (Jim) along with numerous grand nieces and nephews. He is preceded in death by his parents, David and France Ogan, his sister, Donna Clark and her husband, Weston Clark, nephews Randy Swainson and Butch Clark, nieces Shelly Clark and Dana Smith and is best friend, Frank Brownback as well as Donny Antikinen. David was extremely proud to have served his country in the United State Navy in the SAR HC-7 Sea Devils during the Vietnam War. He loved the outdoors, hunting and fishing with friends, Frank Brownback, Donny Antikinen, nephew Randy Swainson and brother-in-law, Jeff Churchill, as well as expansive camping trips on the Yellowstone. You could also find him every Friday night with family and friends gathering around his table

playing pinochle and poker and on Sundays we would always be watching the race.

He began work as a child on the family ranch in Cardwell and later became a pilot, welder and logger. In his youth when he wasn't working, he and his best friend, Frank Brownback would build, race and wreck cars. He went to Montana Tech and graduated from MSU with a degree in computer science. He then worked the rest of his career at the Montana State Fund as a systems analyst.
