“ I wanted to offer my condolences to Debbie's family at her passing. I have only known Debbie for a short time, but she was a very kind and helpful woman. I go to church with Debbie's neighbor Dave Stewart. As Dave's health has gotten worse, I have checked in on Dave. I met Debbie at Dave's and found out that she has been a loyal and helping friend to Dave for many years. Dave is very sad that Debbie has passed and he will miss her sorely. I am so glad that Margie and Mike stopped in recently to talk to Dave. May God bless your family at this time.

“ I met Debbie when I started to work at the Belmont senior citizen center, Deb was so kind and had a heart of gold, she made me feel welcome and was an amazing person to work with, Deb had a heart of gold she would do anything for you if she could, she was an amazing friend and I am so honored I got the opportunity to know Debbie.

Debbie was a quiet person she loved her animals and when her dog passed away I know she was devastated, she carried on though I know she was sad.

Debbie, thank you for the opportunity to get to know you, you are at rest and you are walking, talking, with your mom and I know you are happy and at peace.

May the friendship you showed me may I carry on as great as you have done.

I Will miss you, Debbie, to the family my condolences.

“ I posted my neighbors obit earlier and there was no picture and no description of her life and accomplishments it made me sad how it was really short and basically just stated who she was preceded in death by and who she was survived by. Unfriendly I only ever got one picture of her and even though I didn't know a whole lot about her life and accomplishments I do know that I've known her for over four years. Deb was the first neighbor to ever greet us in our neighborhood she also helped introduce us to other neighbors around us. She was an amazing neighbor always checked our mail for us and kept an eye on our house when we were gone. She always came over to our house and started with well hello neighbors and absolutely loved the neighbor kids and loved talking all among her neighbors. She loved when we had our dogs and would come talk to them and give them treats and she always walked her aunts dog and talked about her aunts dog all the time. Although she never married and had kids she had so many stories to tell about the neighborhood and history in the neighborhood as she lived in the same house all her life. She enjoyed when Keith helped her on her car and always asked if there was anything she could do for us in return. She enjoyed gambling and always told us when she won. It is very sad she's gone and so different not seeing her come over to talk to us or wave from her porch. She will be greatly missed. Rest In Peace Deb! 🙏❤️
