“ I am so sorry for her passing. We worked together at Dr. Nehls office. She was a find lady and a caring one also. Condolences to the family. Such a loss for them with both parents leaving them so quickly. Hugs

De and I met when we were 3 years old and became best friends immediately. We had a great childhood, and never tired of finding "mischief" to get into. De was in my wedding, and I was in hers. When my folks died, De was there. I will always love and miss her.

*Scott and Julie it is hard enough losing one parent but to lose two in such a short period of time is devastating. Your mother was like a "second mom" to me growing up, and I will miss her dearly. Your mother was so full of life, caring, kind, loving and in our case Scott, very patient. Your father was laid back and patient which made them great parents to us all. I am very sad for your loss and hope you both know that you are in our thoughts and prayers.
