“ So many memories of hot tubbing with Sherrie and Don after feasting on r-bone steaks. Don and Sherrie were always gracious hosts. They are the reason I moved to Butte after graduating from Seminary in Berkeley, California. Blessing to all of you as you mourn and remember a wonderful man.

“ Dear Family;  
My prayers to you and your family. Don helped build our family home, and in later years his Xmas scenes were the show of the neighborhood. My aunt who lived behind him always knew if she needed anything Don was there to give a helping hand. He will truly be missed by all who knew him.  
Sharon; I am your neighbor on Floral and if you need anything don't hesitate to call.

“ To Sharon and all the family of Don Hubacka: I am a first cousin of Don and want to share some memories when we were young children. My sister Ada and I (Shirley) loved going to visit at Don's home as they lived on Richardson St. on the flat and we lived on the East Side on Galena St.. We shared many birthdays parties at his home and ours. He had a great hill in front of his home that we could ride our sleds on and a big lawn that we never had. Always laughed and enjoyed each other. We parted time during school. After I married Jerry, we became great friends with Sherrie & Don and did lots of traveling with them. Later in life, we also shared time with Sharon and Don. Don was always a special person in our lives. He will be missed by us and all who knew him. Rest in peace now.

Donald was my neighbor on the west side of our house when I was a kid. I best remember him for his fireworks displays and how the truly "moved" the neighborhood. I'm sorry for your loss...
