“ *I am so sorry to hear of Donny's passing. We were high school buds and lost touch over the years. But even so I thought of Donny often over the years and always seemed to break into a smile, more often than not actually laughed out loud at the fun and crazy times we had. He was one hell of an athlete, could do anything yet he was one of the humblest, nicest, give you the shirt off his back guys that I grew up with. God speed my friend....*
