“ *A first cousin always, but the honor of knowing an exceptional, caring human being who always showed empathy to others in tough times is my fondest memory. And having his own challenges in life as most do, he is first and most, one man in the service of his God. Looking forward to joining you and other family and friends when my time arrives. Tonight, I'll pick up a Tony's and a cold one and the days spent together. I'll recall fondly all that great Butte Hockey we shared back in the day. Go with God Paul. Much love, Al Stuart*
