“ *Sad to read of Mrs Dobb passing . I remember her as a sweet and kind lady. Living down the road from her , she would often look after me and my sibilings. My best memory was one Christmas she made me a chalkboard that look like a school house. May the Lord hold her in his arm and bless her family.*

“ *Beth was a wonderful person. The memories I have of her are countless. Her dedication to my sister Marta and teaching her to knit helped make life worthwhile for her. A better person you will not find. God bless her and all of you. Love Ron and Joyce Kuecks*
