“ Erma was one of the most influential women in my life. She was my Girl Scout leader, and Char was one of my closest friends. I remember how she loved Halloween, and always made sure we had a fun party with Shining Mountains Council, Troop 32. And I can still see her striding along on a hike to gather pussywillows and cattails with all of us following like unruly ducks! I loved seeing her when I would go to St. Ann while visiting my parents. She always had a nugget of wisdom for me, especially about illness, faithfulness, and aging.

Char, I would love to hear from you if you feel like it. Thanks for sharing your mom with all of us!

Love to all the family,

Patrice
