“ I was so sorry to hear of your loss. I have great memories of Gene as an engineer at my school. He was always willing to help. As a music teacher at that time I really appreciated that. May the Lord be with you and comfort you and give you peace.

“ *I fondly remember Eugene from elementary school days. It seems like it wasn't that long ago. I remember him having enviable artist skill and talent as he drew a picture of me getting upset over a board game. My sincere condolences to Gene's family. Sheri (Lince) Meigs.*
