

Gayle Esther Deringer

December 8, 1935 - September 14, 2017

Gayle Esther (Moore) Deringer passed away Thursday, September 14th in Butte.

Gayle was the youngest of 8 children of George Lester Moore and Isabel (Schearer) Moore. Born in Hardin county Ohio to a farming family, Gayle enjoyed gardening her entire life. Gayle was a majorette in High School and her twin brother Glenn played the drum in the marching band. Gayle studied business at Ohio Northern and spent her working career as a book keeper. In 1958 she married Russell Deringer and they moved to Billings Montana. They had four children: Mark, Natalie, Cole and Lana. Gayle was preceded in death by Russell and Mark.

Gayle and Russell loved living in Montana and spent the summers in their younger years snowmobiling, camping, fishing, gold panning and hunting. Gayle and Russell were proud of the fact that three of their children attended Montana Tech, ultimately receiving degrees in Mining, Metallurgy, and Liberal Studies. Gayle and Russell owned several rental properties in Butte. Gayle loved actively managing the rental properties and could often be found clipping lilacs and painting even at 81 years old. She enjoyed attending the Montana Landlords Association meetings both in Billings and in Butte.

The family wished to thank the many health care professionals in Billings, South Dakota, and Butte, that contributed to Gayle's quality of life right up to her final days.

Memorials may be made to the March of Dimes, Salvation Army or charity of

“ We were so sad to hear about Aunt Gayle. I wish we could be near to help you through your loss. I smile imaging the reunion in heaven with all the Moore's and Deringer's welcome her with open arms. What a celebration!!!!

What I remember most is Gayle's smile and I loved her giggle. She was so Sweet.

Dad wished he could've have come and supported all of you. He so enjoyed the time he got to spend with all of you in 2014. He ask me to post these pictures of their time with all of you.

God Bless. Our prayers are with you.

Love Uncle Glenn, Susie and family.

“ *I never had the opportunity to meet her but I pray that the kids will have many special memories to share as they gather to say goodbye. I was honored to call Natalie and Cole friends while they attended Montana Tech and know the world is a better place because of them. That is most likely in part to their upbringing and loving parents.*

“ I sometimes thought Aunt Gayle was psychic the way that she would call out of the blue with words of encouragement right when those words were needed most. The first time was the day I went into the hospital when I was expecting Cory. I had just come back from the doctor's visit where they decided my blood pressure was just way too high. Larry wasn't home from work yet and didn't know I would be going in the hospital that afternoon. I was packing a bag, scared and in tears and the phone rings and Aunt Gayle says "Joyce, I was thinking about you and thought I should call..." That was the first of many times that she would call like that. Another time was when Larry's company went on strike and I was very worried about everything due to the loss of income. I was home alone that evening and the phone rang and there was her beautiful and calming voice, "Joyce, I was just thinking about you..."

I remember the excitement of looking forward to your family visits when you were young, the great visit Cheryl, Laura and Peggy and I had when we flew out to see you and those visits we have been fortunate to have since. Aunt Gayle was a lovely, warm and caring person. I always loved the way she found so much humor and joy in everything. Natalie, Cole and Lana, you will miss her greatly but she lives on in each of you.

Our condolences.

“ Aunt Gayle was a sweet and caring lady. We are so appreciative of her trip to Ohio for Todd and Haley's wedding two summers ago in July. Thank you Lana for coming with your mom to the wedding. It meant so much and I loved seeing her dance at the reception. So much changed for her health in the two years since that event. Natalie, Cole and Lana you were such a blessing to her and your are her legacy to this world.

She called me on several occasions and it was uncanny how her calls always seemed to come at a critical time when I needed to hear a voice of reason and encouragement. Her easy laugh and great sense of humor made her fun to talk to. She could see the humor in so many of life's challenges.

Natalie, Cole and Lana we are praying for you as you grieve the loss of your precious mom.

“ Aunt Gayle was always so kind and also fun. She managed to stay close to all the family back home even though she lived far away in miles. I will never forget how she intuitively knew when I needed a phone call from her, a word of encouragement. And I still have packed away the sweet little dress and matching baby blanket she made for Mackenzie and Ashley when they were small (Mackenzie was 2 and Ashley was 6 months). We love you Aunt Gayle and you will be missed.

“ Jan and I were saddened to hear of Gayle's passing. We have many fond memories with her as we worked together in the church nursery and fellowship through the years. I thank the Lord for the times we spent together. She was a great encouragement to me. May God give family and friends peace and comfort as only He can.

“ I am saddened and sorry to hear of Gayle's passing my heart goes out to her family and friends.....she was such a nice lady and i enjoyed the time i spent with her and her dog Goldie at the dog wash where i met her. I remember her singing for me one day....actually showing me how her voice just wasn't the way it used to be.....although it sounded perfect to me. I bet she was one heck of a singer at one time....be it yodeling or singing at church. I know she will be missed.

“ *I loved my Aunt Gayle. I loved it when she called me Susan Kay. I always thought she was beautiful. She was a loving, caring person. She liked her doggies and also loved going to church. We went out to see her in 2004. Stopped on the way to Alaska and on the way back. Had a lot of fun with her. I never wanted her to leave Ohio. I love you Aunt Gayle and I will always remember the good times. God Blessed you.*
