“ *I am so sorry to hear Gordon passed away, he was a great man. I have some good memories of him when we were kids growing up and great memories of getting help from him at Triple S. He knew his business and was always there to order the exact items I needed and would show up once in awhile to see how things were working out. I want to send my condolences to his wife, kids and grandkids, whenever I would see him we would end up talking about his family, he was very proud of all of you. May God bless him and all of you. Gordon may be gone but his memory will live forever.*
