

Hertha Lucile Segmiller Larson

February 20, 1965 - September 28, 2016

Hertha Lucile Segmiller Larson was called home on Wednesday, September 28th. She was born on February 20th, 1965 in Denver, Colorado to Milton and Kyleen Segmiller. She spent most of her youth in Fairfield hunting, and packing into the Bob Marshall on horseback with her sister Kyla, brother Kyle, and parents. She graduated from Fairfield High School in 1983. She married her high school sweetheart, Darrel Larson on July 14th, 1984 in Fairfield. Together they had four children, Katherine Lynn, Kacie Ranae, Kalie Marie, and Matthew Neil. Something wonderful her children experienced was their mom's ability to love them each unconditionally and all had their own unique bond with her.

Hertha and Darrel spent over 32 years deeply in love. They traveled the world together for 27 years as Darrel served with the U.S. Army.

Hertha dedicated her life to raising their children and was a beacon of light for Darrel through three deployments and countless other military missions. They and their children moved together 15 times; with each move came more adventure, fun, and above all, deeper love.

Through all the relocation, Hertha kept the same best friend, Patti, whom she met in the 7th grade. She treasured Patti as her greatest friend and partner in crime.

Hertha was a daddy's girl through and through. She loved horses, relished in farm work, and especially treasured taking care of her goats.

She enjoyed the very close relationship she shared with her nieces Daneal,

Allie, and Tayler, who each cherish their Auntie immensely.

Hertha's greatest joy was found in her five grandchildren, TJ and Kallie Ann (Kacie and Treyvon), Addison and Nathan (Kate and Jon), and Elijah (Kalie and David), who all wholeheartedly adore their "Nan."

Hertha will be missed by all who knew and loved her fun loving personality, great sense of humor, and her ability to love without reservation.

“ Hertha was one of THE best friends I've ever had. I didn't deserve her but I cherish her. She was fiercely loyal and loving and had a smile and laugh that would light up any room. We met in Hawaii and got really close after my gallbladder surgery. Darrel stayed with my newborn and 2 year old while Hertha drove me to the ER. She came to see me the next day, after the surgery, with a HUGE balloon bouquet. Before she entered the room, a couple of them popped. She came in with the funniest expression and dryly said, "That was me." As much as I tried not to, I couldn't stop laughing. She kept me laughing for the next 18 years. We were blessed to be stationed with them in HI, VA, KS and TX. She was the kind of mom who would make sugar cookie dough and let the kids roll them out and use EVERY sprinkle in the house, no matter the mess. We were together, dropping off Henderson at preschool when two planes hit the World Trade Centers. We had the BEST road trip to TX to buy houses with the Stank Bat and the Fish Parade. I've loved being a part of the Larson family, watching their kids grow into wonderful adults and parents and I love seeing her humor and passion in each of them. Hertha and Darrel have a tremendous story of love and faithfulness. It wasn't always an easy path but their love and devotion to one another did not waver. I wish I was better with words, there is so much I could say, so many memories to share. I can't imagine a world without you in it. You made me a better person. I will miss you, my dear friend.
