His surviving nieces and nephews include Ron Holland, Cheri Holland, and Tina Campbell Kearney who will all miss their loving Uncle Jim. He also leaves behind his youngest sister Lisa Atkins. And his amazing support and best friend Julie Lynch-Franklin. He passed away at the age of 71 after living a very full life of hunting, fishing, camping, and any outdoor activity that allowed him to share a cold bud light with his buddies. He loved his family, especially all his grandbabies, and he loved being around a good group of people. Many strangers turned into friends either while he was bartending or just sharing a drink at his favorite

bar. He will be greatly missed by anyone who had the opportunity to meet and get to know this wonderful man.

We will be having a celebration of life to raise a cold one to Jim sometime in the spring so that all family members will be able to attend. The date and location will be determined.

Love you Buddy (JLF)
