

Jeffrey Scott DuBose

August 1, 1961 - September 21, 2021

Jeffrey S. DuBose, 60, passed away on September 21, 2021 at his home. He was born August 1st 1961 in Orange County CA, the son of George and Faye (Goodman) DuBose.

Jeff's early education began in Garden Grove, CA. He graduated high school in Victorville, CA where he met and married Rebecca Shoemaker. Out of that union created two wonderful children, Adam DuBose and Morgan DuBose Bright.

In 1989, Jeff began a new life with Lori Bennett and Lori's son, Ryan Rees. They added a beautiful daughter Janaye DuBose into the family. In 1992, the family moved to Dillon, and purchased the MINI c-store, gas station and car wash. There is where Jeff found his niche in life: gift of gab. He thoroughly loved meeting new people, talking to people he already knew or didn't know at all, offering his opinion on whatever was the topic, ability to lend a helping hand or just a listening ear. Jeff, had an amazing gift of being able to deeply and sincerely love people.

Jeff enjoyed attending car shows, camping, and riding atv's to just name a few but the most important part was to doing these things with the people he loved.

His children and grandchildren were his pride and joy. He enjoyed every moment with all of them. The hugs and laughs will never be forgotten. They all know how much their papa loves them.

Jeff is survived by his wife Lori, his children Adam (Dee) grandson Tanner,

Morgan (Gary) Bright grandsons Keegan and Austin, Ryan (Christina) and grandchildren Brylee, Alaina and Ethan, Janaye and grandchildren Spencer and Kaylynn. his mother Faye DuBose and mother-in-law Ann Bennett. leaving behind his loving brothers, Dan (Jean), Bob (Landa), Mark (Cheryl) and many nieces and nephews.

Jeff is preceded in death by his father George DuBose, father-in-law Bill Bennett, and brother-in-law (best friend) Rob Bennett.

Memorial services will be held at Barrett's park at 11:00 Monday September 27th. The family would love for everyone to join the celebration of Jeff's life.

“ Jeff was a very engaged father when I would be around him with Janaye. He was a warm and friendly person who seemed to be upbeat about life in general. His family was lucky to have him in their lives, but his time was definitely too short. I will now especially treasure getting to share Janaye's recent birthday with him as well as Janaye. There is a hollow spot there now, and I pray that God will send healing and good memories of all the great family times he instilled.

“ From all of us here at Harrington Pepsi Cola we send our sincerest condolences to the DuBose family. Since Jeff and Lori landed in Dillon many of our salesmen, drivers, service techs and management team have had the pleasure of calling Jeff our customer for all of these years. His passion for the business and always looking at ways to improve things kept us on our toes. Many a meeting with Jeff was full of suggestions on how we could improve our business. Always an opinion about the best way to do things, but always in a professional and caring way. Jeff was a true entrepreneur and all of us considered him a good customer, but more importantly a good friend. He was a gem in the rough for us and we will truly miss his big smile and quick wit.

“ Uncle Jeff was my favorite. Besides my parents, i spoke about him to everyone. All the fun times we went four wheeling, how loving he was to his wife, how funny he was.. he was such a down to earth amazing person. He was the first reason i wanted to move to Montana. He showed us the beauty of it. He treated us so special.. I'm thankful my dad took us to visit Montana every other year to be able to get close with him and my cousins. My heart breaks for all of them.. uncle Jeff was always the person to make friends everywhere he went. He was always talking to someone about anything. He made such a great impact in everyone's life that crossed his path and will forever be remembered as the most amazing man I've been able to know.

“ I got to know Jeff at the hardest times of my life. I had issues and my mom and I would often walk to the Mini for snacks. Jeff showed compassion and concern for me. I will always remember that about Jeff. He truly was concerned about anybody he knew that was having difficulties. I will miss seeing him at the Mini and I will always remember his kindness and friendliness.

“ Years ago, unbeknownst to me at the time, my car's fuel tank had a dent in it--which made it stall randomly as if it were out of gas. This happened as I was returning to town, at the stoplight coming off the overpass. I started to panic--how was I going to get the vehicle out of the way by myself? Out of nowhere, two men appeared and pushed the vehicle across the intersection and to the side of the road. This was when I met Jeff and his brother, who were both so kind to me. I've had a soft spot in my heart for them ever since and, when I realized who Jeff was, I decided the Mini would be "my" gas station/convenience store. I don't know if other people do this, but I always have a favorite cashier, a favorite gas station, etc. So, I've been to the Mini hundreds of times and always been so happy to visit with Jeff (and Lori, Janaye, and even a couple of the clerks.) I can't begin to guess how many times Jeff and I talked, nor how many hours we "wasted" doing so. Now, I cherish every one of those memories, even (and especially) the ones where I was trying to get out of town but he just wouldn't let me go because we were having such a great conversation! ❤️

I may not have known him well, but I believe that sharing those little, seemingly insignificant, moments of connection are what life is all about--and Jeff was the best at that! I will miss those impromptu chats with him but carry them in my heart always. Wishing Jeff's family and loved ones, and our community, serenity as we all heal from this terrible loss. We love you, Jeff!
