

Jerry Alan Eamon

July 10, 1979 - May 19, 2024

It is with great sorrow that we announce the passing of our beloved Jerry Alan Eamon. He was born July 10, 1979 in Missoula, Montana to James and Eileen Eamon. He passed away May 19, 2024 at his home in Butte, Montana surrounded by his family.

Jerry was very charismatic, made friends easily and had a great sense of adventure. He was kin hearted, humble and had a great love for animals, especially bunnies.

In 1999 he was invited to Seattle by Frequency Records to write music and be the drummer for his band and another band named Liquid Fast. He loved music and had great fun with his garage band Butte buddies living in the big city and having their fifteen minutes of fame. After this adventure, he became an entrepreneur producing RAVE shows that featured local and national talented DJs in Seattle.

He later settled down to a career as a welder with Kvichack, a ship builder in Seattle. Jerry was an excellent self-taught welder. Kvichack eventually became Vigor in Seattle and Portland, Oregon. Jerry loved his job and co-workers. He achieved many certifications in welding with the company. He taught welding and was the crew lead on several projects that required a security clearance as the company built both commercial and military ships for the U.S. government.

His greatest accomplishment however, was in being a father to his son, Dade, born in 2004. He adored his son and was very devoted to him.

Jerry was an original soul and those of us that loved him, his friends and family will miss him dearly and forever.

Jerry is survived by his son, Dade of Seattle, his mother, Eileen of Butte, his brother, Joshua of Missoula, his sisters, Tabitha and Mercedes of Seattle and his step-brother Kevin of Missoula. Also surviving are his beloved aunties, Helen, Chris and Margie all of Butte. Jerr is preceded in passing by his biological father, James and his step-father, Ted Wensel as well as both sets of his grandparents, Amil and Patricia Sundberg and Hazel and Donald Eamon.

Cremation has taken place. A celebration of Jerry's life will be held later in the summer and will be announced.
