“ John and I went to Boot Camp together with six others. We both graduated from Butte High in 1963, we were friends. I knew John to be a very personable man who LOVED a good joke, but, more importantly John valued his friendships. All who know John will forever remember him with a Pipe always in his possession. John was a KIND sort of a man with a perpetual smile and that is how I will remember MY FRIEND JOHN BROUILLETTE. John, I know you are seeing this and laughing that I finally spelled your name right, you're laughing because your name is correctly spelled right at the top of this page but hey...I had to keep looking at it and still didn't screw it up! God bless you my friend.
My condolences to family members
