

John Robert Matule

June 22, 1938 - June 6, 2020

John Robert Matule passed away Saturday June 6 at his home in Butte.

John was born in Butte on June 22, 1938. He lived here his entire life, leaving only to serve in the Marine Corps for four years.

John scraped and saved, working long hours with the Montana Highway Department and several local restaurants until he was able to open the Rustic Lounge.

John's lifelong passion was his gardens, from which he shared generously with his family and friends.

John was a kind man, who was proud of his family and was loved by all who knew him.

At his request, cremation has taken place and no services are planned. In lieu of flowers the family asks for donations to the Montana Veterans Affairs Health Care System.
