John truly knew how to live life to its fullest each day. His passion for life, love for people and companion for other was what made him and instant friend to anyone he met. “ John was such a happy soul always giving us a big bear hug with his shining smile and giving us the run down on his enlightening stories on his sons he was so proud of his family it was a picture of joy and gladness it made our day seem so much brighter his positive attitude was infectious and we will miss our visits with John. Now he is spreading his joy with the angels, and his Saviour Jesus Christ in heaven. We send our condolences to his wonderful family.

“ John was so special we were friends and companions for a very long time. I met John when I came to live in Butte in 1999. He was so thoughtful and kind. He showed me a lot of Montana and places he went with his sons.

We took many long drives and I got to see a lot of the SW part of the state. He shared a lot of his memories of growing up and his sons growing up. He was always talking about his family and made me a part of his life when I knew very few people here. He and I had a Monday nite Ritual of pizza and wrestling on TV. Last night I remembered him by doing what we always did. I'm sure he will continue to watch over those he loved and until we meet again he will always be in my heart. Thank you for sharing such a wonderful person with me.
