“ I am so sorry to hear that Nita has passed. It is a shock. My prayers are with Dave and the rest of the family. God Bless.

“ I have many fond memories of Nita, Dave and their family from my days in Butte. I used to wash my clothes at the Washateria, and also would get my work clothes laundered and pressed there--for a dollar a piece. Nita was always cheerful, kind, friendly and non-judgmental. I'll never forget the time she hired a student from Tech to help out and he ironed all my pant legs against the seam. We all had a good laugh about it.

Condolences to her family--she was a kind soul who will be greatly missed.

“ Seems like the old neighborhood has lost its last shining star, never saw Nita without a smile even when she was not feeling well. From days when my washer broke I knew she would be at the Washateria ready and willing to listen to me and my tales of how I messed something up, she always had a logical solution to share. She always made you feel welcome and more then once you were told to sit down and join a family meal. It didn't make any difference if the house was full or it was just her and Dave.

Nita along with our best buddy and friend Sandy Turk(who left us May 2017) are probably checking out the yard sales in heaven and helping to paint the beautiful pictures in the clouds.

I have been blessed to have known Juanita for more years then I care to admit, she was a treasure in every sense of the word and will be sincerely missed by all who have been fortunate to have met her.

To Dave and the family my prayers and condolences.

Sincerely,

MaryAnn Carling
