Judy was born November 3rd, 1945 in Butte MT. She graduated from Butte High School and went straight to work at the Telephone Company. Judy started as an operator and continued to work for the phone company until they closed the Butte office in the late 70s. Judy made friends easily and maintained those Telephone Company friends throughout her life. They still meet for lunch once a month.

While working at the at the Telephone Company Judy met and married Robert "Bob" T. Evans. They were happily married until his death in 2008. They enjoyed traveling, taking trips to Ireland, Italy and even traveled the US in their motorhome for a few years.

was one of the first residents of the Sears Loft apartments. She came down every morning to have her coffee, pick up her paper and visit with the regulars and employees. The Market people were her second family. She was fond of saying that she was unAmerican as she did not and would not own a television. She much preferred her crossword puzzles and her 'Judy Time'.
