“ Dear Jim and family,  
Whenever our paths crossed for family gatherings for Henderson side, Sis would always have a friendly smile and ask about my family and their children. She had a genuine way about her and a down to earth personality.  
Her roots go deep in Buxton Hills. Our condolences to all of her extended family.

“ *Jim, Danny, and Jimmy.  
My heart is broken this morning. Sis was like a sister t me and I will never forget all the times we spent together playing Scrabble, or just talking and solving the problems of the times. I think of you often and looked forward to our 4th of July visits at the cabin. You have my deepest sympathy and heartfelt prayers. Please extent my sympathy to Susie too. I love you all!!
