“ Oh my...I just learned this sad news. I knew Laura 35 years ago when we were in high school/college, but she had an impact on my life and I've never forgotten her kindness, her happy smile, her wit, and what a wonderful, caring friend she was. My deepest sympathy to all of her family, who I know she loved very much. Brian Boutwell

“ *Laura always had a smile for all of us. No matter what was happening around her she would smile. I remember the many fun and happy times we had together at either Grandma Toots or Aunt Jeanie's house in Missoula.*

I will be thinking of you all as you hold Laura's memorial service today.

*My condolences to you all,

“ *I am very sorry to hear about Laura! My thoughts and prayers go out to her entire family. I will always treasure all the laughter and fun we had when she visited our office. She could always turn a bad situation into a humorous one. I know she held dear to her heart her two beautiful children. She will be deeply missed. Heidi Halverson, RDH*

“ *I remember Laura as a devoted mother and classroom helper when I had Elizabeth and Tim in my kindergarten classes at Lewis and Clark in Missoula. We crossed paths again at the U of M when she assisted me as I maneuvered through graduate paperwork. She was so generous with her time and a very thoughtful, loving lady. She will be missed by many. Please accept my heartfelt sympathy Dan, Tim and Elizabeth.

“ I remember fondly the night that Laura and I (Karen Darnell) stayed for the lock in with the youth group at church. It was a lot of fun and a great memory of time spent together. She will be greatly missed even from as far as MN where I now live. My prayers go out to the family
