

Lauren John Ike

May 30, 1941 - January 7, 2026

Lauren John Ike passed away Wednesday, January 7, 2026 in Mesa, Arizona, surrounded by loving family.

He was born Friday, May 30, 1941 in Williston, North Dakota to Calvin and Elsie (Borstad) Ike. He was raised and educated in Williston and earned his Bachelor's Degree in Mechanical/Aeronautical Engineering from North Dakota State University, in Fargo, ND. On December 27, 1963, he married Helen P. Myhr in Williston and together they had three beautiful daughters.

After completion of ROTC and his degree from NDSU, Lauren served his country as an officer with the United States Air Force. He was accompanied by his new wife to their first base assignment at Laredo Air Force Base in Laredo, Texas. Lauren completed pilot training in 1965 and was granted his first choice of planes, the storied F-4, and was assigned to Davis-Monthan AFB in Tucson, AZ, and later to Holloman AFB in New Mexico. He had always dreamed of flying "fighters". Of special note, the extraordinary pilots of the "Class of 65-E" from Laredo AFB, remain close "brothers" to this very day. They have continually celebrated reunions for 62 years at many destinations across the mainland and Hawaii. Of special mention Dennis Zurbay, the other newly-wed of the class, who remains a close friend to this day.

Following his subsequent honorable discharge from the Air Force, he started

working for Boeing Aircraft in Seattle, Washington, as a mechanical/aeronautical design engineer. Boeing was instrumental in providing Lauren the opportunity to obtain his Master's Degree in Mechanical Engineering from Pennsylvania State University in 1975. He then accepted an assistant professorship position teaching Mechanical Engineering at Purdue University in Indiana. He later worked as an aerospace engineer for the Department of Defense at General Electric in Cincinnati, Ohio. Eventually, he became a partner/owner of Webster Foster and Weston Engineering in his home state of North Dakota. A life-long goal of his was to live and retire in the mountains of Montana. With that in mind, he completed his engineering career in 2001, as Director of Fuel Management for The Montana Power Company in Butte, Montana, after 21 years. He formed special relationships with friends Fred Walter and Tom Worrying.

Following retirement, he and Helen moved to Condon, MT, and the mountains of the Swan Valley and the Rockies, living there for many years and establishing enduring friendships with Nina and Dennis Monson and Sue and Bob Cushman. In 2011 they purchased their home in Mesa, AZ. Lauren enjoyed a wonderful life filled with love and family, good friends, a love of adventure and nature, and a deep abiding faith. He lived his life with honor, conviction, personal and professional ethics, and with his family always first.

He is survived by Helen, his loving wife of 62 years; daughter Christi Davis and husband Michael and their 4 children (Eric Kougioulis/Courage Wleh, Amber Ketelson, Jason (Noelle) Davis, Angela (Michael) Poole); daughter Lisa McLean and husband Joseph and their 3 children (Jacob McLean, Nicole (Chris) Lacy, Lindsey (Dawnlyn) Fode; daughter Susan (Joseph) Kalarchik and their 2 children (Morgan (Jordan) LeProwse, Michael Kalarchik/Thomas Davis). Other family members include 2 brothers: Richard (Katherine) Ike and family; Steve (Freida) Ike and family; 2 cousins: Margaret Sandvik, and Karen Ike; and many nieces and nephews and great-nieces and great-nephews, including a special mention of niece Laura Campbell and husband James, who winter near us, and have been so caring and supportive.

“ Hi Hellen,
I am so so sorry to hear of Lauren's passing. I followed your recommendation and checked in on his obituary, and have shared it with my daughters, and they, more than ever share my feelings and have feelings as strong as I do. They were always so grateful for the kindness that you and Lauren showed when we would stop by and visit you and the fun they had playing with your daughters and son. So please accept my condolence and that of my daughters, and we wish you and you family the best as you adjust to your loss. And could you confirm that (406) 723-3221 is a suitable phone number for me to contact you in the future? Thanks, Emmett (425) 677-5784
