

Louis Allen Mosca

January 9, 1959 - July 19, 2024

I'd like the memory of me to be a happy one.
I'd like to leave an afterglow of smiles when life is done.
I'd like to leave an echo whispering softly down the ways,
Of happy times and laughing times and bright and sunny days.
I'd like the tears of those who grieve, to dry before the sun;
Of happy memories that I leave when life is done.

Helen Lowrie Marshall

Louis Allen Mosca or (Louie) to those who knew him closely, was a sensitive, kind and loving man who passed away at home in Butte, Montana on July 19, 2024 with his special lady and companion Pauletta Lavelle at his bedside as she promised him she always would.

Louie was born on January 9, 1959. He was a wonderful person and a loving father who always had a goofy sense of humor and enjoyed seeing others smile. He spent 12 years of his life with Pauletta. With her he was the happiest he had ever been in a relationship. He had his furry sidekick that followed him around everywhere which he adored, his puppy named Abby. Not only was he a caring father he was an adoring grandfather to all 7 of his grandchildren and wonderful friend. He had a side to him that was not afraid to allow others to see which made it easier for anyone to feel heard and understood when you sat and talked with him. He was a man who was not afraid to cry with you and tell you it will be okay. With a loving nature and a

kind heart he was a person with an overall caring nature and great big hugs. He had a love for baseball and the Atlanta Braves was his favorite team. Louie was a kid at heart and enjoyed reading books by Dr. Suess. One in which he loved was Green Eggs and Ham.

He will always be loved and forever missed. Forever in our hearts he will remain.

Louie had four children, Aunica Mosca, Blake Wells, Fallon Wells and Layne Wells-Mosca. Loving grandfather to seven grandchildren, Jonathan Crabtree, Ean Crabtree (whom he referred to as Weezer), Cheyenne Crabtree, Alex Wells, Trinity Landon, Cali Wells and Lexi Wells.

You will be forever in our hearts and always on our minds
