“ I have known Louise for quite a few years every since I started working at Big Sky senior living she was like a grandma to me I was her housekeeper and helped her get her little dog. And also helped keep all those clocks running. When id come to clean for her she would always like me to seat down and tell catch up on the week and what was New in our lives. My only regret is that's had to move is such a hurry and was not able to say good by she was the sweetest lady and funny I'll miss you Louise give them hell up in heaven
