“ Marjorie is truly a lady, dear friend, and very special woman. We met her through church and P.E.O. when my husband and I moved to Butte. We soon became very dear friends and would go out to lunch very Thursday that we were all available. And spent many memorable hours talking about our families, our childhood and growing up memories. I know that Marjorie was welcomed into heaven by many family members and dear friends and is “catching up” with all of them. Marjorie, we are not sure how to send you the Godiva chocolates now so hope you have found chocolate in heaven!! Loved you dearly and will miss you until we meet again. Prayers for comfort for her family and friends.
