

## Matthew Willis Robbins

November 25, 1981 - October 26, 2024

Matthew Willis Robbins was born in Roundup, MT on November 25, 1981 to Michael Robbins and Melanie Stradtman.

He attended country school in Wise River, MT and high school in Dillon, MT.

He worked construction most of his life, but his love was hunting and fishing in the Big Hole Valley.

He died October 25, 2024 in Butte, MT. He is survived by his children Tayon (Eli), Tegan (Julia), his parents, three siblings Michael (Jenny), Melissa (Greg), Mitchell and his nieces and nephews.

Cremation has taken place. No services are planned at this time.

“ Mathew was one of my best friends. His loss puts a home in my heart that is indescribable.  
We have known each other most of his life and the last 15 yrs were together most of the time.  
All my kids know him as Uncle Mathew and I was proud of him on a daily basis.  
He was definitely one of a kind  
Such a big heart and that smile.. he could light up any room.  
We always had fun and working next to him was energizing.  
I will hold you in my heart for the rest of my life.

“ To our son. Matthew was my son for the last 22 years. Matt, and his Dad And I have been through a lot together. Good and Bad. Matthew was a force to be reckon with. I don't think there is single person that could keep up with him at work and play especially, in the mountain's. His dad would say "there is not one person who could keep up with Matthew in the woods not even him. His love for hunting, fishing, shed horn hunting, was his love. Besides his two grown children Tayon and Tegan. Then his close friends. Doc Lee & Kathleen Rose, who was always there for him, as well as Chris Backus and Danielle. Thank you, for loving and caring about Matthew. His Bonus brother Cody and sister Shannon, and niece's Kara and Taylor and cousin Aj all loved Matt as well. You will always be with us Matthew. We loved the good and the bad. We loved how you always took time to help others without question. Your heart was a big as the world. Rest in Peace Matt. Your in our hearts forever. See u on the other side, if we can catch u. For all those not mentioned, we are sorry for ur loss.

“ Matthew has been my family for 21 years. My first brother! My hunting partner. He spent his time going moc10 with his hair on fire! Every time I needed him to help me he was there. The bulls on my wall are there because Matthew and Mike made sure that I got to go hunting and succeed! My heart sank when I heard. I am sue his kids will never let me forget the balls comment at the store! I will never forget him. We love you my brother! Always

“ Matt has been my brother for the last 20+ years! This is hard to write...

*I miss you Matt! I was hoping to see you, when you chose to get better, at the house for another round of cribbage (even though you try to cheat lol) Your quick, funny wit, huge heart, and your face, will be sorely missed! We love you and will think of you always!*  
Shannon, Kara and Taylor

“ I am Matthews ex-mother in law. When he first came into our lives some of the things I remember the most about him was a big broad smile and a hug every time we met. He always had a kind word for myself and my husband, I loved him like a son right from the start. I found him to be kind and funny, accident prone and sensitive. He gave us our two wonderful grandchildren Tayon, and Tegan and although we did not spend as much time with him as we would have liked he was always welcome and loved in our home. I will truly miss being teased about my shortness and him placing his elbow on my head while he joked with me. He had several skills such a carpentry hunting, guiding and fishing and seemed to enjoy all of that to the fullest. He liked to guide other hunters. Matthew you will be missed greatly by us but you will remain in our hearts and in our thoughts going forward. I believe you will be a guiding force as you watch your children continue to grow from heaven. We will always love you and be happy that we could have you as a son for awhile.  
REST IN PEACE HONEY.

“ Matthew was my x husband. He had a love for life. He was always 90 miles an hour. He lived more in 42 yrs than any man I know. He wore his heart on his sleeve. He was all about everything and everyone else being ok and happy. His passions and hobbies are what most only read about in a National Geographic issue. But he did it all and never blinked an eye. It was just life to him. He gave me the greatest gift of my life. Our two beautiful children (Tayon & Tegan) his two clones that have his heart, passion, drive, and stubbornness. For that I will always be grateful that our lives crossed paths. Matthew may have been 90 miles an hour at all times but may he rest now and look after our children and help guide them through their beautiful lives.
