“ Linda and Wanda I am so sorry to hear but know our hearts and prayers are with you.
Aunt Norma was my substitute mother through those years when it was most needed. Remembering the time we spent together at the trailer or your house is very dear to me. You both are so blessed to have had the examples of caring and truthful people to model your lives after. always remember the good times and ignore the very few bad ones. I pray for peace and comfort in your lives at this time and hope that you
continue the legacy that was set before you. Please know that even though we are not there in person our thoughts and hearts are with you.
Love you both David and Judy

“ My prayers go to you all. All that I can say is that Aunt Norma was a good and loving person who showed me far more compassion than I deserved. With all respect, Richard Opie.
