

Peyton Rose Gardipee

August 16, 2001 - November 24, 2017

Peyton Rose “TeeTee” Gardipee gained her angel wings on Friday, November 24, 2017 peacefully in her sleep while in the comfort of her own bed, at the age of 16 years old.

Peyton was born on August 16, 2001. She came into the world with Aicardi Syndrome, but with all the issues she faced, and her doctors telling us she’d be lucky if she made it past 3 years old, she lived her life with amazing happiness. Her personality was infectious, and she enjoyed teasing everyone around her.

She touched the lives of everyone she knew, as well as people that would simply hear her story. She was the greatest gift God send to us, as she gave us all a better outlook on life and appreciation for it.

Her journey with us came to an end, but she gave us much longer than expected to love, care for, and learn from her, giving us all the greatest memories.

She was preceded in death by her grandpa’s Joseph Gardipee, Richard Montgomery and Duane Johns, her uncle, Zach Gardipee as well as many extended family, all which were waiting to greet her in Heaven. Peyton is survived by her dad and step-mom, Tom and Caroline Gardipee, her mom (caregiver) and step-dad, Tina and Bill Leary, her sisters Mary (James) Herrera Staudenmayer and Amy (Lloyd) Abraham, her brothers, Ryan (Jayde) Gardipee and Joey Gardipee, her grandma’s, Shirley Gardipee and Marion Johns, her nephews, nieces, uncles, aunts, cousins as well as too many

extended family and friends to mention.

Peyton Rose, you lived a life with severe disabilities, beating the odds and you were the happies, most comforting soul that we've ever known. Now you're dancing to Papa's and God's music like you never did before, soaring high, enjoying being free. You are definitely missed, yet we'll be celebrating your life and keeping your memories alive. Thank you for sharing your life with all of us, teaching us the true meaning of life and how to live it!

An inspiration who lives on in all of us.

Until we meet again! We miss you and love you always "Angel Buggie".
