Butte lost another great lady and wonderful wife and mother. She will be missed greatly by her family and friends.

She worked for Safeway on Granite Street and Front Street for over 35 years. Following retirement, Phyllis took up golf and quickly became quite good. She was an active member of the Highland View and Butte Country Clubs and played and routinely won many local competitions. She also loved playing cards, especially pinochle and cribbage. Phyllis was a longtime member of Aldersgate United Methodist Church.

Phyllis was a very strong and classy lady. She never let things or illness get her down and when describing her life, she said "I had a wonderful life - I had a good job, 2 wonderful husbands, and was blessed with all of my children, grandchildren and great grandchildren. I had a lot of fun."

Memorial services will be conducted at a later date and will be announced.

“ We met Phyllis at Casa Verde Park and instantly loved her smile and her laugh! Played many rounds of golf with her and was amazed how she kept track of all the scores in the foursome and if you questioned her score she always knew the strokes on every hole! I had fun helping her with computer issues and we had a lot of laughs! We were happy to have known her...RIP Phyl....You were a classy dresser and a classy lady! She loved her family!
