“ *Rose Marie and I met Bob and Shirley while on an Alaska cruise in 2006. While on a shore stop the guide came over looked at Bob and I, we were both wearing baseball caps, and asked if we were brothers. That got a good laugh, but since neither of us had a brother we decided to become "Brothers". Over the years we kept in touch, we visited Bob and Shirley in Butte and they visited us in Northern Virginia, always referring to one and other as Brother Bob or Brother Gerry. We kept in touch over the years through phone calls and greeting cards. Bob and Shirley are two of the finest people we have ever had the pleasure and privilege of knowing, we will miss "Brother Bob" may he rest in peace. Gerry and Rose Marie Kirwin Burke, Va.*

“ Shirley, Joe and Lisa, very sorry to hear of Bob's passing. Although it has been a long time since I last saw Bob I often recall one of his favorite expressions. When some mechanical problem had been solved he would say "Another job well done by the Berkeley good guys".  
Peggy and I will remember him in our prayers.
