“ *My kids and I grew very close to Sandra when I was married to Tim, her nephew. She took our whole family in when we had nowhere else to go until we could get back on our feet. We lived in the apartment above her and we shared meals and our lives with her as if we all lived in one big house not two apartments . After Tim and I divorced I have kept in contact with Sandra checking in on her and bringing her food and gifts I bought because they made me think of her. I'm sharing A couple photos one of Sandra Angela and I at Grandpa's birthday party at Sparkys and the other from the Cinco De Mayo pub crawl we went to in 2018. We had so much fun that night the two of us who usually dont drink much were trying to catch up and let's just say that's the last time I drank alcohol. I know she is watching down on all of us who she loved and who loved her. RIP Auntie, the kids and I will always cherish the time we had with you.

“ Sandra was a true Butte girl:
*loved her family,
*always generous to anyone needing help,
*loyal to her friends,
*stubborn enough to keep it all working.

When you look at the night sky - you will see her looking down as one of the brightest stars and know she is in good company.
RIP little sister.

“ Of all the memories I could share about my sister Sandra, first would be her generosity and love which she shared with everyone. She had a very kind heart and never failed to offer help at a moments notice.

She loved her children with all her heart. I'll never forget the phone call telling me she was going to be a grandma. The idea of being a "Nana" made her cry happy tears.

I am thankful for the love and support she gave my son Tim, and was always there for him.

May the Good Lord open His arms and welcome you home.

Thank you for being my sister, I truly love you.
