“ *My mom was a kind and generous lady. When things in life got tough or things went amiss my mom would always say, " Don't worry , it will be ok, things will be ok".*

This world is a lesser place without her but I know she feels no more pain. And I know she is now with her dad and her brother. She watches over us all until we can all be together again. I miss you mom.....I love you.

There's a big whole in my heart for the loss of my sister, but knowing she was a Christian and now feels pain no more gives me relief. It will be hard for Gene and their but they can find relief knowing Sharon's in the presence of a loving and just God. Judy and I send our love and prayers to everyone.
