“ Sherrie is my cousin. I have been searching for her and the rest of her family for some time as our families sadly lost contact many years ago. I have many wonderful memories with all of my cousins as kids when we lived in Great Falls for two five years tours in the Air Force. My heart just aches not to have found her sooner. I knew how special her heart was when we were kids. I will always Love and Miss her all my days left. I hope and pray to reconnect to the surviving members of her family. Hopefully to be able to meet her kids which she loved dearly and clearly was so proud of. Heaven gained a very special soul when Sherrie was called home. She is with her mom, dad, Dorothy, my mom, dad, and brother. Many more relatives as well. She continues to be surrounded my Love and family. I am sincerely sorry for the loss her family is experiencing. She will live on in her kids, and grandkids. God Bless them all. 🙏👍
