“ Dear Monica,

I don't know your address or where you work for sure so I hope this reaches you.

I considered you a dear friend and co-worker and your mother a friend also.

She was so wonderful in assisting my attempts at quilting when I first started.

I would have been lost or have given up if not for her.

Wonderful memories of a beautiful lady.

Sorry about your loss. It's everyone's loss as she was always so giving of herself

Hope all is well with you.

I live in Alaska now so was unable to attend her services .

Think of you often too as you were always so patient and helpful to me too. Must run in the family

.

All my sympathy,

Donna Davis
