“ Steve was a great friend throughout high school and also at college in Bozeman. Smart and kind with a great sense of humor. We hung together with other kids from Centerville in Bozeman and we had great times together. I remember him fondly. My condolences to his family.

I looked for Steve at our most recent reunion, anxious to see him, but he didn't attend. We hung out in high school...maybe in the same class or something? He had such a sardonic humor. I'm sorry to hear this.
