

Susan Gail Hoffman

May 1, 1959 - March 12, 2016

Susan G. Hoffman passed away Saturday morning in Great Falls, Montana. She was born May 1, 1959 in Inverness, Florida to Gary and Judith Grant. Her father was in the United States Air Force so Susan attended schools in several different locations, but ultimately found her way to Montana and lived in Helena for 21 years where she worked as a waitress while attending college to become a paralegal. She moved to Butte where she worked as a pediatric clinic office manager. She was very intelligent and attended Montana Tech where she earned a bachelor's degree in nursing. She worked as a paralegal until starting her career in nursing but found her true calling was that of a spiritual advisor.

She loved nature and animals, especially her cats but the love of her life was her grandchildren. She enjoyed camping and hiking and even though some would consider her life short, she spent her time on Earth wisely and with great joy.

She married Donald Hoffman in Butte on September 9, 1995 and he survives. Also surviving are her children, Justin and Misty Turville of Butte, Angela and Eric Herbst of Helena, Neshia and Joe Greider of San Diego, CA, Charlie Notbohm of Las Vegas, NV, Jesse Hoffman of Butte, eight grandchildren and her brother and sisters: Gary Grant of Butte, Cindy Beasley and Jennifer Grant both of Florida. Besides her parents, she is preceded in death by her son Jeremy Pietz and daughter Desiree Synness.

“ I am Cindy Beasley, Susan's younger sister. I have many good memories of my sister from when we were kids. When our dad retired from the Air Force, our family moved to Florida, except Susan. She was determined to stay in Montana. So at 15 years of age, she married Dan Turville and they lived in Montana. The rest of us kids, being younger, had to move with our parents to Florida. There was my older brother Gary, me, my younger brother David (now in New Hampshire, the obituary forgot him) and my younger sister Jennifer (in North Carolina, the obituary said Florida). Over the years Susan came to visit us several times. The last time was when our father passed away in 1998. I will miss her and I will keep her children Justin, Angela, Charlie and Jesse in my prayers. I pray for peace for them. You guys need to support one another and LOVE each other! You are family. I love all of you.

“ I am so sad to read of Susan's passing. She is such a beautiful and positive soul, just being around her made my heart smile. I met Susan through her store and it quickly became a place where I could go to find peace on days that were overwhelming to me. Knowing her was a gift and I will treasure her wise words forever. Although Susan is no longer in our living world, I'm certain that her soul lives on and her beauty will forever surround those she loves. My heart & prayers go out to Don & the rest of the family, 2 legged & 4 legged. Find comfort knowing how many lives Susan touched, directly and indirectly. She was a true gift to all.

Sincerely,
Holly Carpenter & family
