“ Served with Shea in Korea from fall of 99-fall of 00. He was absolutely hilarious and his personality was larger than life. He knew how to story tell with the best of them and always had my back. I just found out about his passing from another good Army buddy of mine. I actually tried to find Shea on Facebook a few years back and was unsuccessful and now I guess I know why. Prayers for the family, just know he was a real one and we will see him again! Nathan Henry Clarksville TN

“ My boyfriend and I knew Casey for many years. He was a kind soul and a wonderful man. I am so heartbroken to hear about his passing. I went to go visit him and the kiddos to have my world shattered to hear about his loss. He was doing a wonderful job as a father and son. I am so sorry to the family for their loss.

We had so many laughs and long talks. You will always be in our hearts, always and forever.

“ I knew Casey in high school. He was one of the first friends I made in the group I eventually became close friends with. He was an original. So many fun times! He will be missed by anyone and everyone who knew him. Rest in peace my friend and I'll see you on the other side.
